***Great news for seniors in Chilmark & West Tisbury...
you can get your teeth cleaned for free on
February 24 at Howes House!***

Vineyard Smiles is offering free dental care to seniors who lack regular access to dental care. Vineyard Smiles is a mobile dental program of the Vineyard Health Care Access Program and Island Health, Inc., local organizations that provide affordable health care to Island residents. This service is sponsored by the Towns of Chilmark and West Tisbury, through the Vineyard Nursing Association.

The clinic will be held on Friday February 24, 9:00 a.m. – 3:00 p.m. at the Howes House (Up Island Council on Aging) across from Alley's General Store and in front of the West Tisbury Library. Please fill out the registration form by **Friday February 17** and leave it at the front desk at the senior center so we can call you to schedule an appointment time. Drop-ins will be taken on first-come, first-served basis.

Services are provided by licensed professional dental hygienists from Polished LLC, a Cape Cod based public dental health group. Whether you have some or all of your teeth or dentures, you will receive an oral exam, cleaning and fluoride treatment. If you are at high risk for medical problems resulting from a cleaning you may receive limited services.

We look forward to seeing you at the Vineyard Smiles Dental Clinic! If you have questions please e-mail us at vineyardsmiles@mvhealthcareaccess.org or call Debbie Simon, Vineyard Smiles Dental Assistant, at (508) 696-0020 x 14.
